  - Not enough members were able to attend in person to warrant the cost in time and travel expenses to hold the meeting

- Questioning the viability of Face-to-Face meetings in TAGPMA ☹
  - Financial & logistic obstacles to in-person attendance by members

- TAGPMA 26 / IGTF All-Hands Meeting (?)
  - Plan to co-locate with Internet Global Summit 2018, scheduled for May 6-9, 2018 in San Diego, CA.

# TAGPMA / IGTF Future?

- We need a better incentive plan to retain member interest in TAGPMA and IGTF!
  - Core value of IGTF is the trust matrix we have developed among members over the last 12+ years
  - Increase visibility of IGTF in R&E funding agencies
  - Update charters to reflect current state of the world and trends moving forward
  - Demonstrate to AP members that their operations remain essential to sustaining investment
  - Add new/different accredition types to attract and retain AP members (?)
  - Increase role and responsibilities of RP members
  - Figure out better ways for members to finance their participation in TAGPMA and IGTF...
