

Group Meeting: 07/03/2019

Only the strongest made it to
Tbilisi..

We went on hikes..

Got a lift home off a nice Georgian
lad

Ate too much food/drunk too much wine (& Guinness)

Jordan and I went to the
bathhouse....

IMAGE CENSORED

Also did some physics, saw nice
talks, ~collaborated!

- Anyway, as a means of improving JGandalf, I ran JMCEvt (takes monte carlo truth as starting point for Gandalf), then ran JGandalf...

Extremely poor fit..

- Event origin coords: (0,0,0)
Can coords: (-117.2, ..., ..)
- Detector centre: (0, 0 , 117.16)
- Event coordinates in Gandalf & Mctruth coords are too far apart?

Extremely poor fit..
