QCD EVOLUTION
Workshop

MAY 30 - JUNE 3, 2016
National Institute for Subatomic Physics (Nikhef)
Amsterdam, Netherlands

TOPICS

Hadron Structure: Theory & Experiment
Transverse Momentum Dependent Distributions
Generalized Parton Distributions
Multi-parton interactions
Resummation techniques
Small-x
Effective theories, Lattice QCD

ORGANIZING COMMITTEE

Daniel Boer (co-chair)        Alexei Prokudin (co-chair)
Leonard Gamberg              Anatoly Radyushkin
