

# PDP Update

- 
- Eagerly awaiting the results of the FuSE submission
  - Zheng Meyer-Zhao (ASTRON) regularly at Nikhef
  - New stoomboot nodes on the way, including GPUs (V100s and MI50s)
    - Also part dedicated to GW
  - Nikhef Project Infrastructure in progress (with CT)
    - [gitlab.nikhef.nl](https://gitlab.nikhef.nl)
    - Continuous integration on dedicated or virtual machines
    - [Mattermost.nikhef.nl](https://mattermost.nikhef.nl)
  - New master students
    - Calorimeter reconstruction on the GPU (D. Kruis, UvA)
    - Neural net inference on FPGAs (M. de Rooij, Delft)
