Valentin Pestel	466	270	163	17	16
Brian O Fearraigh	507	202	273	16	16
Thijs Juan van Eeden	611	213	366	16	16
Rasa Muller	620	200	396	12	12

Contribution in individual measurements ...

Next shift period : until end of April

Shifts attributed to “even the scores” :

- Aim for having a homogeneous number of shift /year
- Score resets this summer

If you feel you have too much shifts, or that you can contribute more, feel free to send me an email.

Available in google calendar [here](#)

Will send an email with this table later
