

February 2021

# 51<sup>st</sup> EUGridPMA AARC, GN4 EnCo & EOSC ISM virtual meeting

*enabling communities through trust ...  
... close by and at a distance*

# 51 EUGridPMA+ meetings - from Firenze to Amsterdam

February 2021

# Shorter interactive style

It's virtual again after our one-off September F2F:

- **three mornings 'workshop style'**  
*fewer topics, but expect great progress! ...*
- **although you are remote again ...**  
*let it not be a series of presentations, but raise your (virtual) hand, engage, comment, engage in violent agreement, add or shorten, &c*
- **let's be hopeful for a June meeting**  
*although it might still be a bit early ☹️*

# Today – Monday 8, 09:30 - ~ 12:30

- 09.30 Welcome from local host, agenda, minutes last meeting, note taker, introductions
- 09.45 APGridPMA: developments in the Asia Pacific region (Eric Yen)
- 10.00 Self-audit review & status of suspended authorities (Cosmin Nistor)
- 10.10 CA Updates I: CERN update (Hannah Short)
- 10.30 Coffee
- 11.00 WISE SCI – Baseline AUP update (Dave Kelsey)
- 11.15 The Implements Guide to SClv2 (Uros)
- 12.30 End

# Tuesday & Wednesday: 09:30 again

09.30 Enabling Communities:  
progress and next steps (Maarten Kremers)

authorization report (Derek Simmel)

12.30 Closing

# Logistics

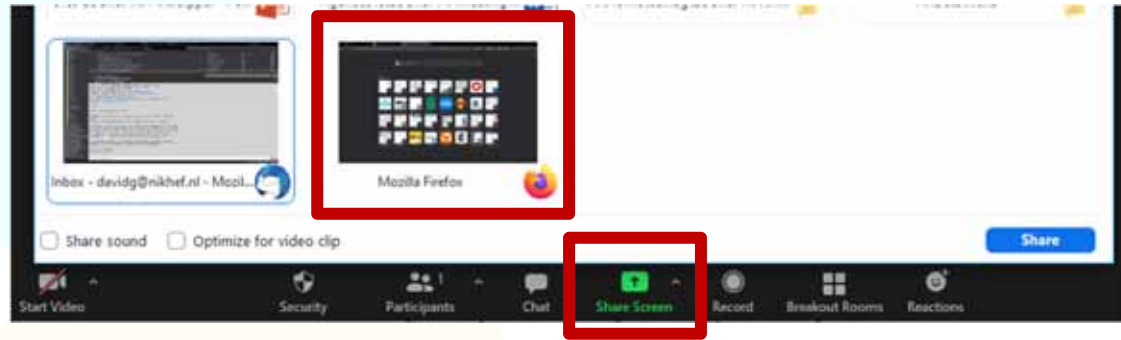

- Upload presentations to the agenda page  
<https://eugridpma.org/agenda/51>
- Go to management mode, and enter the password as you expect it to be

- Upload your materials there

# During the session

- Please share your screen or presentation-application

- Powerpoint for Windows: use “Reading view” to keep sharing the right window (Mac and 365web-only users are out of luck)
- Adobe Acrobat: view file in “Read-mode” (Ctrl-H) to keep sharing the right window
- Please mute when you’re not speaking

Questions?

# **BUILDING A GLOBAL TRUST FABRIC**

# Thanks to you all for hanging on!

Next meeting: **June 2021**

*maybe at LRZ in Garching  
kindly hosted by Jule at LRZ?*
