

June 2021

52nd EUGridPMA AARC, GN4 EnCo & EOSC ISM virtual meeting

*enabling communities through trust ...
... close by and at a distance*

52 EUGridPMA+ meetings - from Firenze to ...

Shorter interactive style

It's virtual again after our one-off September F2F:

- **an afternoon and two mornings 'workshop style'**
fewer topics, but expect great progress! ...
- **although you are remote again ...**
let it not be a series of presentations, but raise your (virtual) hand, engage, comment, engage in violent agreement, add or shorten, &c
- **let's be hopeful for a September/October meeting!**

Today – Monday , 13:30 - 17:30

- 13.30 Welcome from local host, agenda, minutes last meeting, note taker, introductions
- 13.45 APGridPMA: developments in the Asia Pacific region (Eric Yen)
- 14.00 Self-audit review & status of suspended authorities (Cosmin Nistor)
- 14.10 A growing desire (by WLCG and GridPP at least) to use LE for host certs for storage end points (Dave Kelsey)
- 14.45 Coffee
- 15.10 WISE SCI and the PDK (Dave Kelsey et al.)
- 16.15 TAGPMA update (Derek Simmel)
- 16.25 CA Updates II: RCauth.eu
- 17.30 *End*

Logistics

- Upload presentations to the agenda page
<https://eugridpma.org/agenda/52>
- You should have received a password
- Upload your materials there

During the session

- Please share your screen or presentation-application

- Powerpoint for Windows: use “Reading view” to keep sharing the right window (Mac and 365web-only users are out of luck)
- Adobe Acrobat: view file in “Read-mode” (Ctrl-H) to keep sharing the right window
- Please mute when you’re not speaking

Questions?

BUILDING A GLOBAL TRUST FABRIC

Thanks to you all for hanging on!

Next meeting: **September 2021**

*maybe at LRZ in Garching
kindly hosted by Jule at LRZ?*
