We are very happy with the active participation

Priorities game

Overall most money allocated for LHC program

General enthusiasm for new programs on

- FCC
- Dune
- FASER/FPF

Especially in most established researchers also enthusiasm for

- GRAND
- CMB
- Ptolomy

Practicalities

- Results will be collected in a strategy document
 - Will be presented in an upcoming Staff meeting
- Some sessions had notulists/pitchers
 - We ask notulists/pitchers to send their summary to war@nikhef.nl
 - You can take pictures of the flipcharts, we will collect them
 - Please do this by Friday september 16 (next week)

Travel and drinks

Strike seems to not cause problems for us

- Buurtbus to train station is still going
- Trains are driving

Drinks outside this room after Stan's closing remarks and any remaining burning questions
