

ET-PP INFRA-DEV kick-off meeting

M. Martínez

BSR Meeting

30th June 2022

INFRA-DEV Kick-off meeting

July 19th – 20th @ Barcelona

- Grant Agreement now under preparation
- **In-person 2 days** meeting of ET management & INFRA-DEV WP coordinators
 - Finally we will run hybrid meeting (zoom supported)
- WP-WP discussions taking place during first day followed by plenary reports and plan drawing/discussions the second day
- Dedicated slot for BSR and presence of BGR
- Dedicated slot on ET-PP Collaborative Agreement
- Location: UAB Campus @ Barcelona
- Seed of INDICO already in place

<https://indico.ifae.es/event/1393>

30/06/22

**Only 33 persons registered !!
(2/3 in person ?)**

The screenshot shows the Indico registration page for the 'ET-PP INFRA-DEV kick-off Meeting'. The page header includes navigation icons and a 'Public' status. The event details are: 19 Jul 2022, 08:30 → 20 Jul 2022, 20:00, Europe/Madrid, Main Conference Room (Hotel Campus UAB), organized by Mario Martinez (ICREA/IFAE). The main content area features a banner for 'ET EINSTEIN TELESCOPE' and a description of the event. The footer includes the IFAE logo and the text 'Institut de Física d'Altes Energies'.

- ALL-Global Communication and Archiving of ET-PP documents
- WP10-Web and Outreach strategy

WP2

- WP3-Definition of the Financial Board and its role in ET Directorate
- WP3-ET Legal Architecture vs fair-share industrial returns
- WP8-Role of Computing Director in ET Governing Structure
- WP8-Relations ET Collaboration – Observatory in computing aspects

WP3

- WP2-Legal and Financial Framework
- WP5-Methodology for financial planning in Project Office

WP4

- WP2-Legal studies relation to site requirements
- WP3-Cost estimates for excavation
- WP5-Coordination on Civil Engineering with Engineering Department
- WP6-Qualification of aspects affecting ET performance
- WP7-Socio Economic Impact Studies
- WP9-Exchange on sustainability aspects related to excavations, emissions, water reservoirs, etc.

WP5 - WP6

- WP2-Harmonize Project schedule
- Relation of PO/ED with ET Collaboration and ET Boards
- WP4-Relation with Site Characterization
- WP2-Vacuum pipe Design & Requirements
- WP2-Civil Infrastructure & Requirements
- WP4-Qualification of aspects affecting ET performance

WP7

- WP2-Organization of KTT office
- WP2-Innovation Plan

- WP3-Balanced industrial returns model implementation
- WP5-Coordination with Project Office on Industrial Partnerships
- ALL-List of technologies for risk analysis on maturity and industrial capability in RI, detector design and computing

WP8

- WP2-Data access policy, data governance, computing access policy
- WP6-Onsite computing and storage infrastructure (low-latency and offline)
- WP9-Computing and storage infrastructure characteristics and requirements

WP9

- ALL-Sustainability on Site, Detector Design and Computing
- ALL-Minimization of environmental impact

WP10

- WP1-Hiring Process for Outreach officer
- WP1-Web design and repository
- ALL-Communication network across ET-PP WPs and ET Boards

**ET-PP WP coordinators meeting
on 11th July via zoom to conclude on the
list of items and preparations**

On BSR and discussions

16:30 → 17:00	Coffee Break	30m
17:00 → 18:30	Management: BSR Meeting	1h 30m
20:00 → 22:00	Dinner	2h

I reserved 1.5h for BSR in the afternoon of the first day.

→ We can link a separate INDICO agenda as needed.

In parallel I plan to offer visits to IFAE labs for the rest of the participants

ET-PP dinner @ BCN downtown @ Beach

Agenda second day

WEDNESDAY, 20 JULY			
09:30	→ 09:50	Prenary Presentations: WP2 - Organization, Governance and Legal Aspects	⌚ 20m 📍 Room Lluís Vives I ↗

14:35	→ 16:00	Discussion and future steps	📍 Lluís Vives Rooms ↗
16:00	→ 16:20	Coffee Break	⌚ 20m

Ends 17:00 PM

Plenary sessions reporting the findings relevant from each WP and following the list of items discussed during the first day

Followed by 1.5hs discussion on conclusions and future steps

Event closes with informative slot on Collaborative Agreement Preparation

Final Notes

- **V5 of GA being prepared (very close to signature)**
 - t0 finally targeted 1st September 2022
- **ET-PP kick-off meeting organized**
 - Please register !
 - Plenary Addressed from ET PD and key talk from other ESFRI (SKA)
 - ET-PP Town discussions + plenary addresses

Notes on GA preparation

- **In close contact with EC Officer**
- v2 of the GA basically in place
(including minor comments by EC)
 - Deadline 15/06/2022
 - Re-discussed t0 with EC officer (suggested 1st July)
→ **1/09/2022** (as originally placed)
- **Deadline foreseen for the signature of the grant agreement 12/07/2022**
