We have a few ideas...

Just want to let you know about them, if you have any feedback or suggestions please let us know!

Buddy system

We have created a buddy system to help new PhD candidates get settled in at Nikhef

If you are new and want to get a PhD mentor, fill in **the form!**

If you are an experienced PhD and want to become a mentor, fill in **the form!**

If you are a supervisor and have a new PhD candidate, share **the form** with them!

The Nikhef logo is displayed on a white circular base. It consists of the word "Nikhef" in a red, sans-serif font, with a stylized red symbol above the letter 'h' that resembles a particle detector or a stylized 'X'.

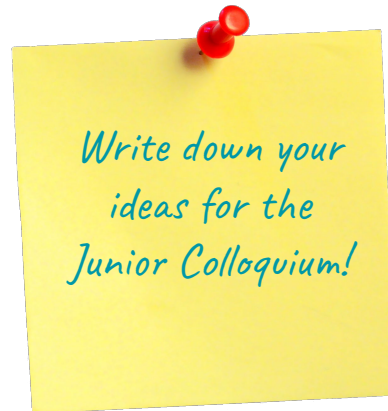

Buddy system: **the form**

Junior colloquium

- A space for PhD candidates to practice their communication skills and to show off their work
- Prepare for conferences
- Learn about other PhDs research

* With the help of Postdocs

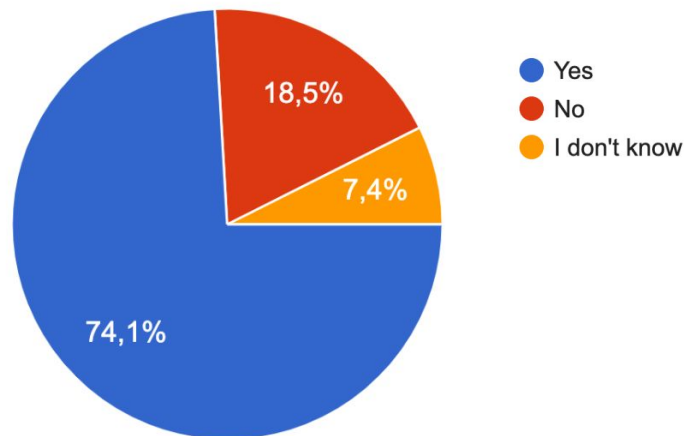

Invited speakers @ Nikhef

What should Nikhef take into account when selecting invited speakers from third parties?

- We have done a survey about it for PhD students
- We will discuss about the results and define some next steps

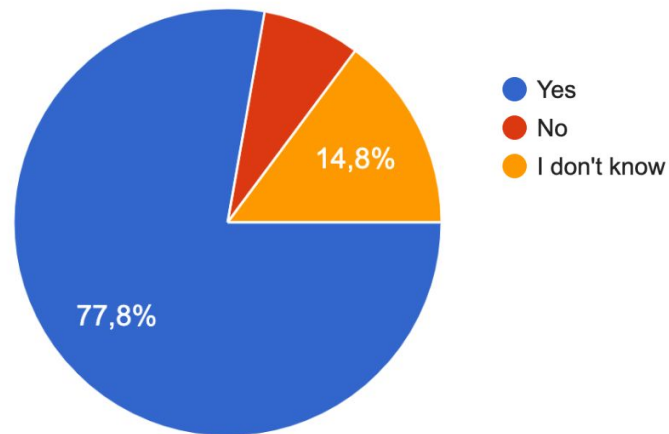

Invited speakers @ Nikhef

Do you think it is important we have a say on which speakers get invited?

Sneak peek of some preliminary results

Do you think we should have more invited speakers?
