

The girl who kinda liked space stuff

ANS HEKKENBERG / @GirlForScience

Three questions

- ✗ Why did I chose to study physics?
- ✗ Why did I not chose to do a PhD?
- ✗ How do we increase the participation of women in physics?

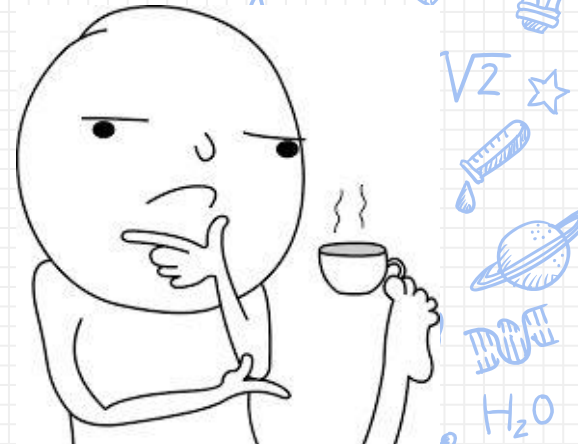

Three questions

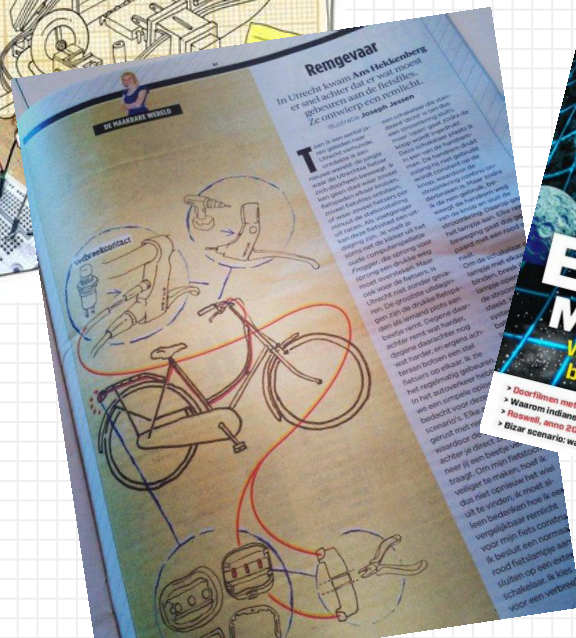

✗ Why did I chose to study physics?

✗ Why did I not chose to do a PhD?

✗ How do we increase the participation of women in physics?

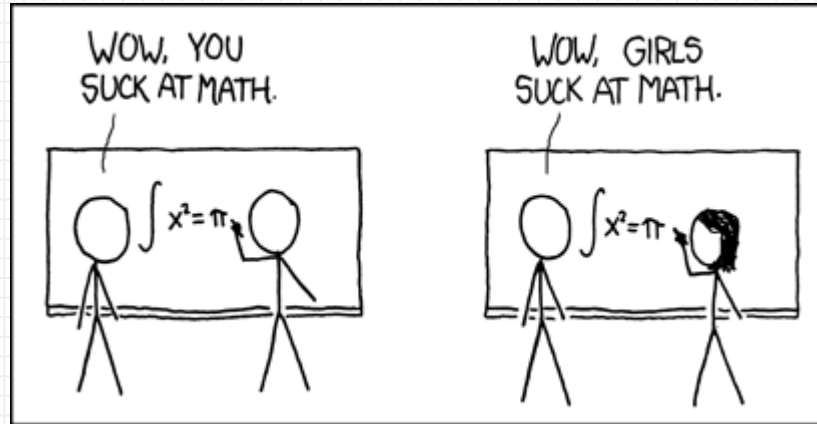

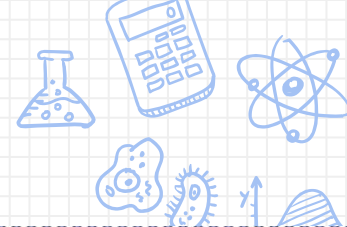

Why did I not do a PhD?

Be aware and make aware

--

Listen to women's voices

--

Be aware and make aware

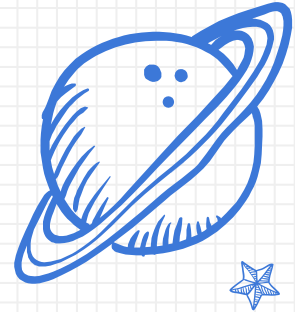

--

Listen to women's voices

--

Remember: you can't be what you can't see

--

Be aware and make aware

--

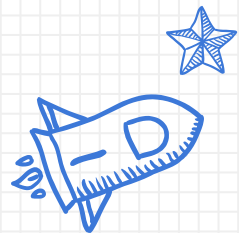

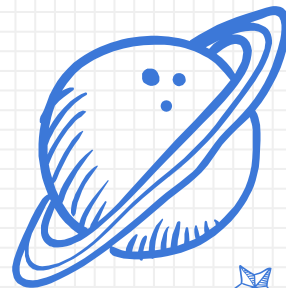

Listen to women's voices

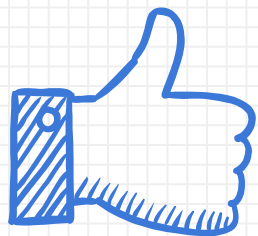

--

Remember: you can't be what you can't see

--

Ask yourself 'what can I do?'

THANKS!
