

Multi-messenger Continuous Gravitational Waves

Tuesday, 11 July 2023

Methods for CW detection (15:40 - 17:00)

time	[id] title	presenter
15:40	[13] GWLab	MIDDLETON, Hannah
16:00	[14] A new method to search for long-duration gravitational wave signals	FESIK, Liudmila
16:20	[23] Properties of a multi-template search for a transient signal	FESIK, Liudmila
16:40	[4] A novel neural-network architecture for continuous gravitational waves	JOSHI, Prasanna Mohan
