

Multi-messenger Continuous Gravitational Waves

Tuesday, July 11, 2023

Methods for CW detection (3:40 PM - 5:00 PM)

time	[id] title	presenter
3:40 PM	[13] GWLab	MIDDLETON, Hannah
4:00 PM	[14] A new method to search for long-duration gravitational wave signals	FESIK, Liudmila
4:20 PM	[23] Properties of a multi-template search for a transient signal	FESIK, Liudmila
4:40 PM	[4] A novel neural-network architecture for continuous gravitational waves	JOSHI, Prasanna Mohan
