# Buddy system

Help new PhD candidates get settled in at Nikhef

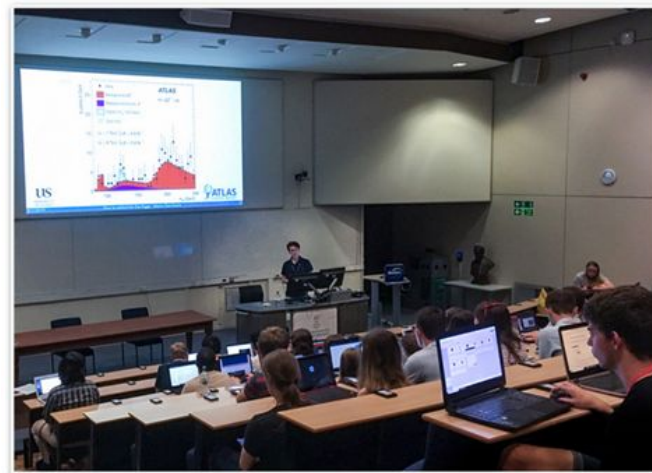

- ★ Link first-year PhDs with experienced PhDs
- ★ Get accustomed to PhD life at Nikhef, Dutch society, etc.
- ★ We recommend 6 to 12 months duration
- ★ Fill in the form if you are interested!

# Junior Colloquium

- Organised by a group of post-docs in collaboration with the PhD Council
- Opportunity for PhD candidates and young post-docs to practice conference-style talks in front of peers
- Learn about other PhD's research
- **Next one will be announced soon, register if you want to present!**

Sweets and coffee included!

## We have more ideas:

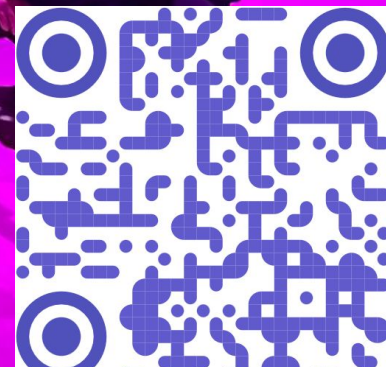

- ★ compiled tips on travelling by train to CERN, Gran Sasso, Virgo...
- ★ recent surveys:
  - Nikhef's supervision system, some changes have been made
  - invited speakers at Topical Lectures
- ★ work in progress: concept for PhD exit interviews
- ★ idea of workshops on mental health
- ★ Idea of workshops on inclusivity
