The Nikhef Postdoc Council

<https://pdcouncil.web.nikhef.nl/pd/>

The goals and responsibilities of the Nikhef Postdoc Council are the following:

- **Represent** the postdocs at Nikhef.
- Coordinate **training** and **career-development** activities aimed at the Nikhef postdoc community, such as supervision workshops, career orientation, workshops on grant and faculty job application, and likewise.
- Organize **social activities** aimed at the Nikhef postdoc community, perhaps aligned with some Nikhef-wide events like the Jamboree or the Christmas dinner, to increase the **cohesion** between the postdoc cohort.
- Interact with the Nikhef Education Committee to set up, implement, and monitor the new postdoc **mentoring scheme** across Nikhef, and based on the received feedback suggest possible **improvements**.

And this is what we are gonna talk about **today**: how to improve the postdoc experience

Today's Postdoc Jamboree

Two discussion sessions:

17:10	→ 17:30	Discussion: current professional development for postdocs at Nikhef	🕒 20m	✍️
Speakers: Andrea Garcia Alonso (Nikhef National institute for subatomic physics (NL)), Andrii Usachov, James Mead (UvA), Maxime Pierre (University of Amsterdam / Nikhef), Robin Hayes				
17:30	→ 17:50	Discussion: future professional development for postdocs at Nikhef	🕒 20m	✍️
Speakers: Andrea Garcia Alonso (Nikhef National institute for subatomic physics (NL)), Andrii Usachov, James Mead (UvA), Maxime Pierre (University of Amsterdam / Nikhef), Robin Hayes				

Reflection on your postdoc and the **professional development support** you are getting **now**

Ideas for a **better future professional development** for Postdocs at Nikhef
