

electron-EDM - one slide update

Steven Hoekstra (sorry, not present at meeting...)

Searching (and finding :-)) PhD candidates
Two excellent candidates confirmed,
interviewing more for two other positions

Pi Haase
from 4/2017

Parul Aggarwal
from 6/2017

Exploring best option for challenging high voltage amplifiers. Good progress and nice collaboration between VSI and Nikhef electronics department!

Part of the proposed solution

Cryogenic source parts coming in, preparing first tests.

Working on design reports and detailed time plan for laser cooling section and interaction zone.
