

Impact of a multisite configuration (WP2)

Wednesday, 9 April 2025 16:45 (1 hour)

Expectations for cost and funding model

- Expectations from host-countries
- Cross border issues
- Immunity of the site
- Examples of multi-site RI: CTAO, SKA0, ESS-ERIC, ELI-ERIC

Outcome:

Input from participants to
inform a discussion on
assumptions and
implications of multi-site
configuration
