

FASE update

Paulina Hernandez Sainz

10-11-25

Baby's First Plots!

100 events

100GeV

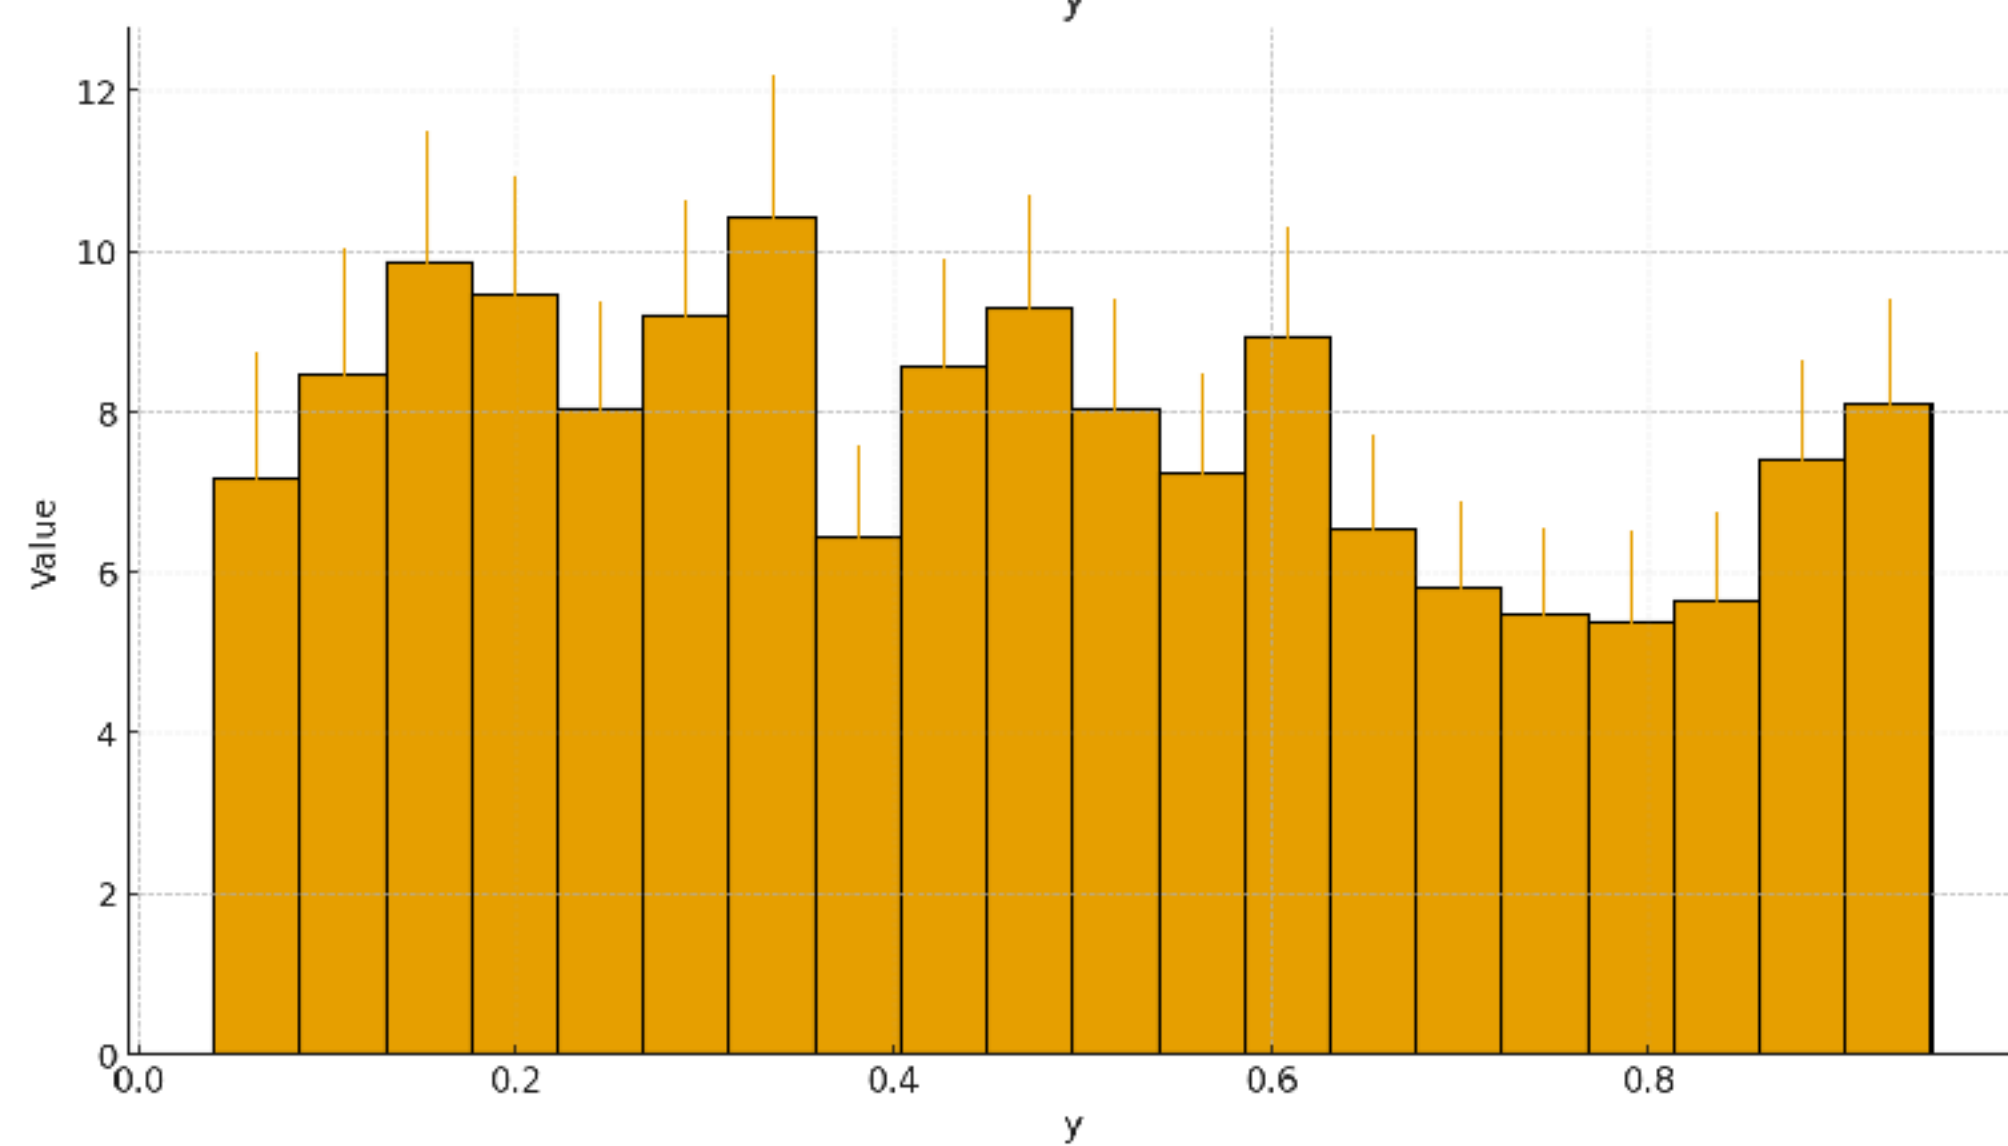

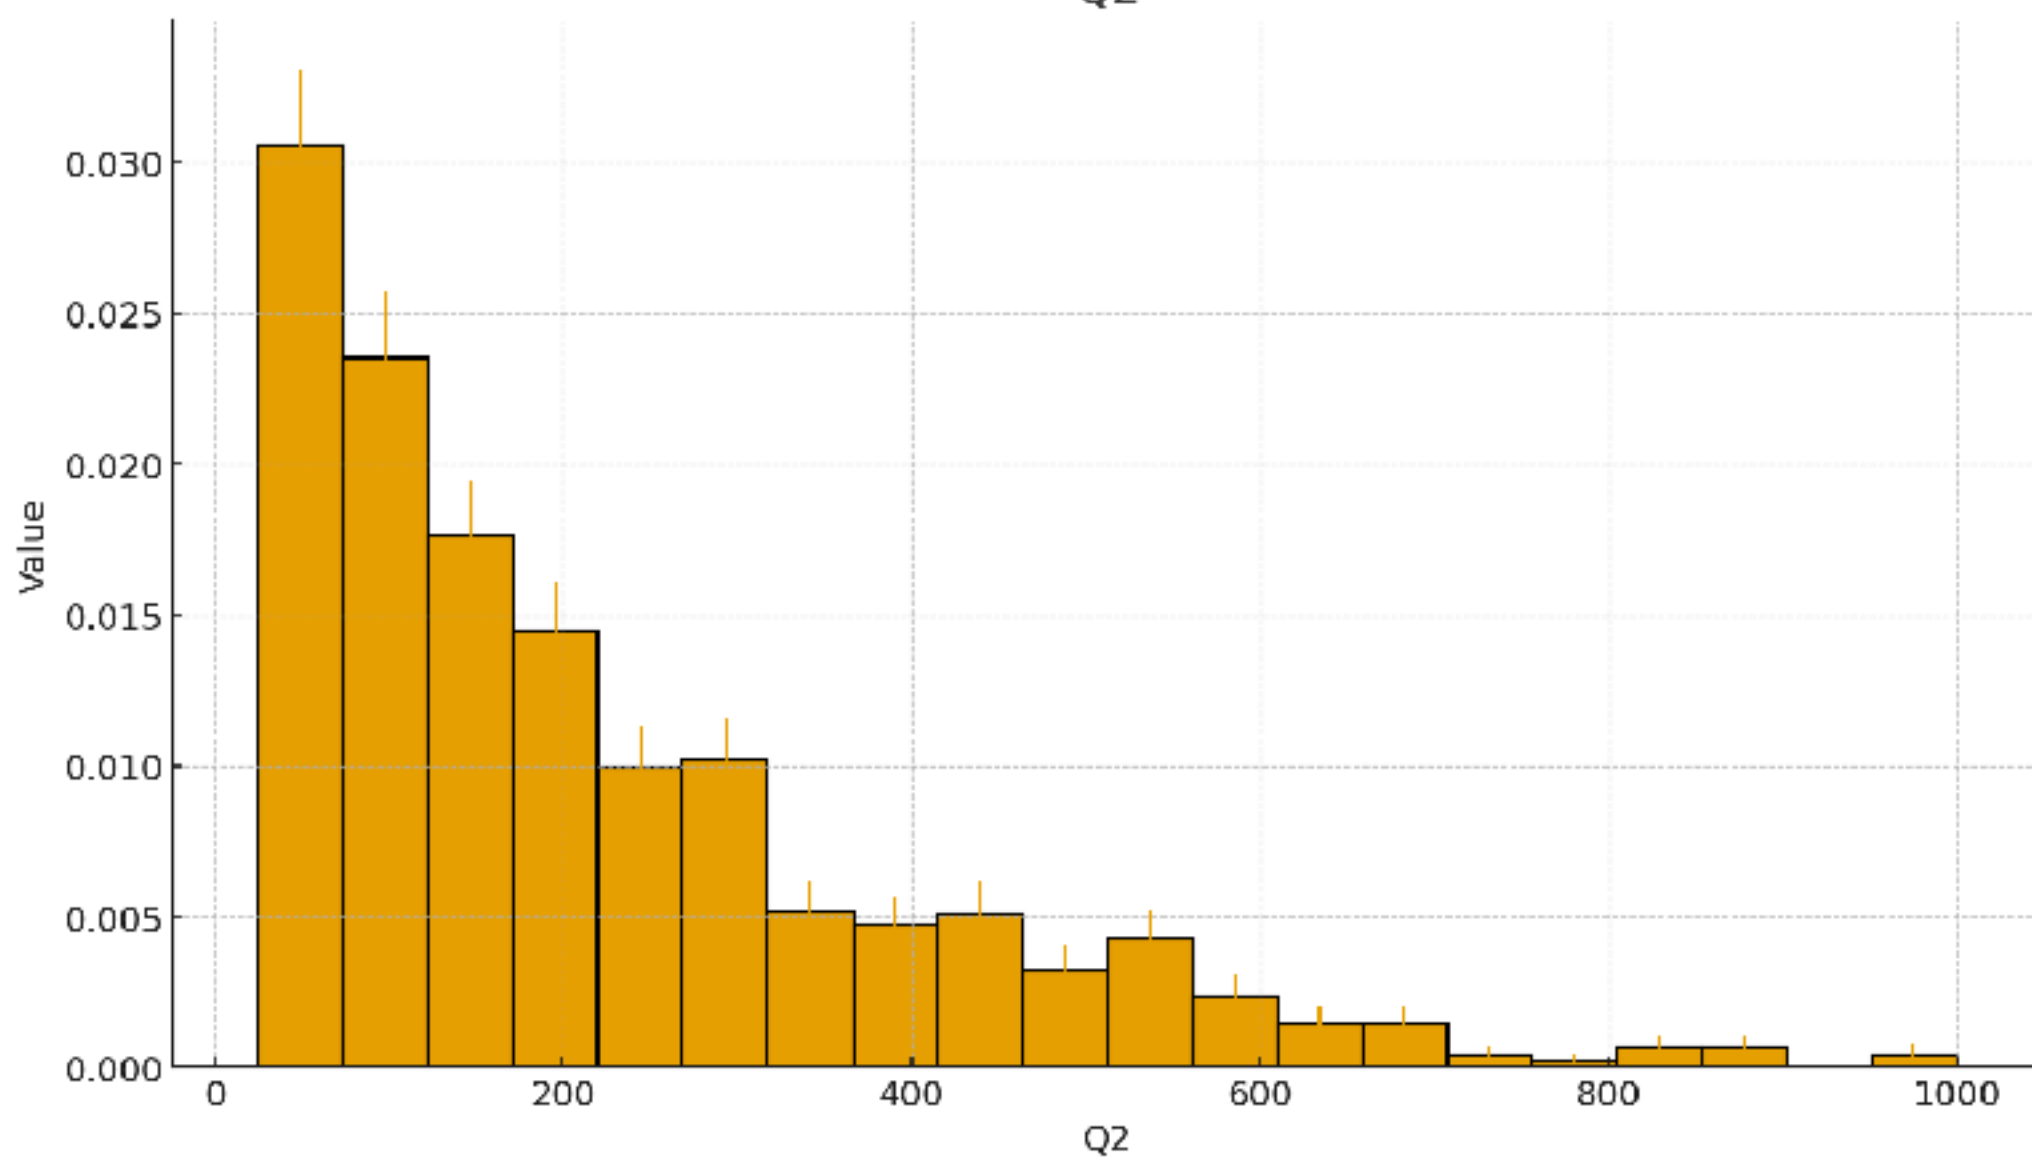

$\nu_e + p$

Next up:

More events,

Different particles,

Reading theory

Questions

- Should I still only officially start in January?
 - If I start now I cannot do it full time yet
- NWO Physics?
 - Already signed up to go
 - Can I get it compensated?
- What other meetings/groups should I be joining?
