## Workshop on Science Communication

18<sup>th</sup>-20<sup>th</sup> May 2026

UNIVERSITEIT  
VAN AMSTERDAM

**Please  
give us  
feedback**

**5-10 mins**

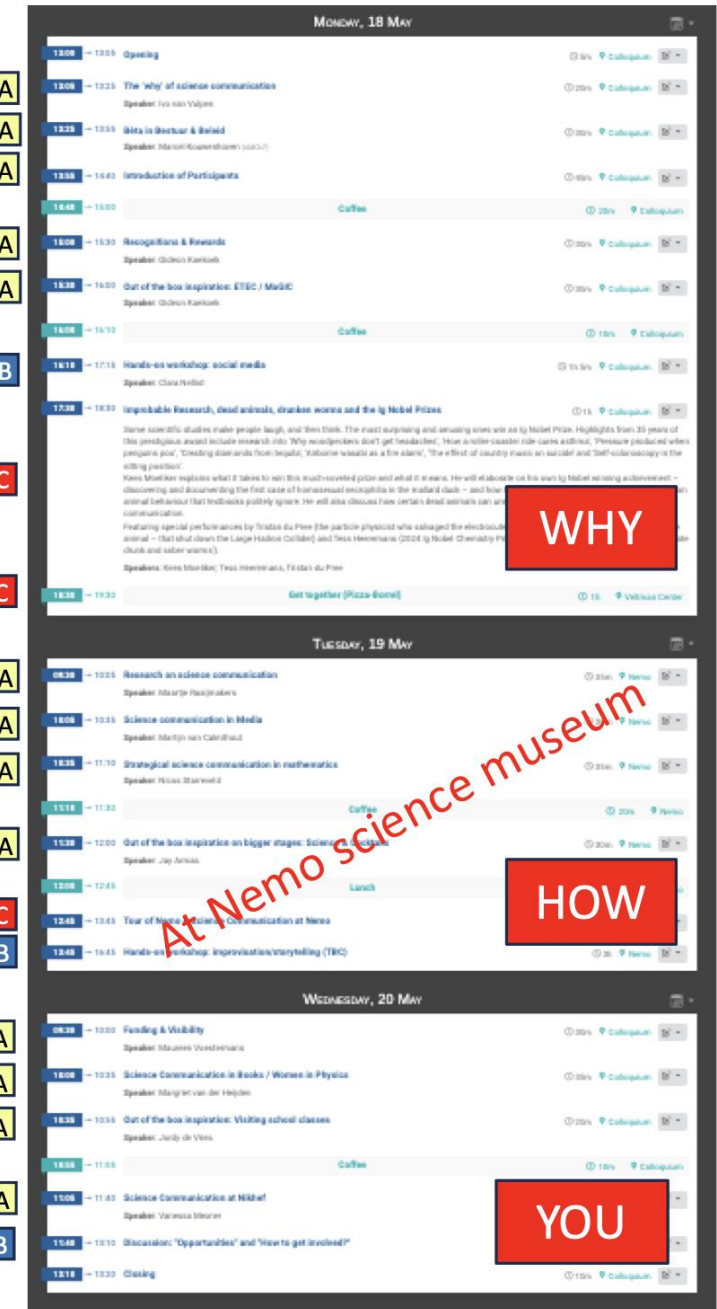

# Summary of the Workshop

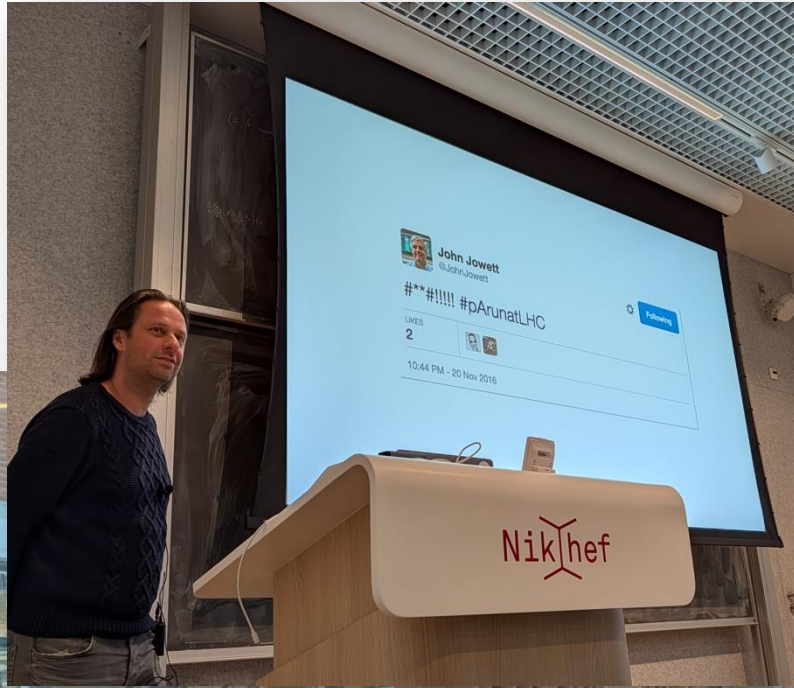

- We have spent the last 3 days gaining a broad overview of the science communication landscape and its role in science and society.
- We hope that you have been inspired and have discussed many opportunities to get involved.

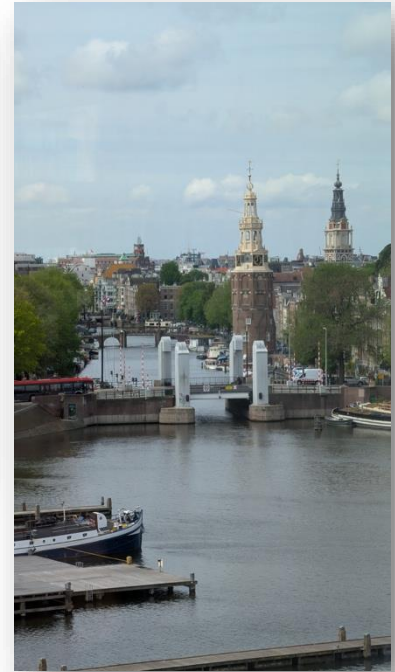

- A** expert talks & science communication examples
- B** hands-on workshops
- C** extra activities

# Special Colloquium
